Our BeneReps™

All of us at Beneficio Coffee™ and the Coffee Farmers want to thank you for volunteering to be a Beneficio Representative (BeneRep™). We are all excited about [GivingBack™](#) to the world.

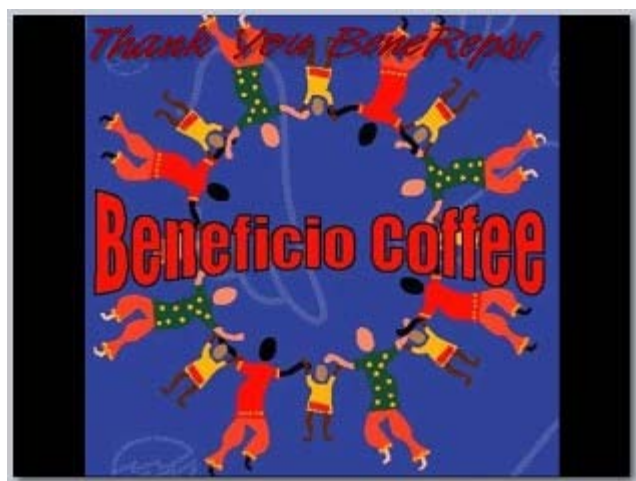

We have gathered ideas for improvement to our BeneRep™ program from many of you and in response have revised our BeneRep™ Pack. In this packet you will find information about our Coffee and Company, and what you can do to help us promote Beneficio's concept and mission and [GiveBack](#) to the world. It is our goal and commitment to you to make your BeneRep™ experience as fun, rewarding, and easy as possible. If you would like a new BeneRep™ Pack or additional presentation materials to help support you, if you have any suggestions for improvement, or if you have any questions, please don't hesitate to [contact us](#).

Our T-shirts have also been redesigned. If you would like a new T-shirt, please let us know and tell us what size. T-shirts are available in small, medium, large, and extra-large.

We have updated our BeneRep™ RocketLife show. If you don't see yourself there, please send us a digital photo of yourself and organization logo or sign.

Our team of BeneReps™ keeps growing and so does this RocketLife show. Please check often to see who's helping Beneficio Coffee™ [GiveBack](#) to the world!
